Welcome to Kids Korner Autumn/ Easter Vacation Care.

Your children will enjoy their time with us like a home away from home. Just remember: **MOBILE PHONE, IPADS OR OTHER ELECTRONICS** need to stay at home due to Kids Korner Privacy policy.

During the first week, the 9+ children are off to Wollumboola for an Archery lesson and game, on Wednesday 12th March all children will spend a day at the Warrawong Inflatable Play Centre. We have some projects organised for our older children to enjoy and create, Music is our theme. There will be lots of Easter craft and fun through this week indoors too.

On the second week, the 5 – 8 year old's will enjoy Ten Pin Bowling and on the 20th April all children will head off to Mollmook for a BBQ, beach walk and a bit of a play at the park. Each day will be packed full of fun, craft and activities, the projects planned for the older children will be entertaining and great fun.

Detailed information of each outing will be displayed on our program and also displayed at the centre, so please check regularly.

Kids Korner buses will be used for these excursions.

TOYS

We discourage children bringing along any precious item that may attract other children's attention. The temptation can sometimes be too much. We have had very upset children in the past when things go missing. Children's property is not the responsibility of Kids Korner educators. Children are best to leave them at home.

PLEASE DISCUSS THIS WITH YOUR CHILD.

All drink bottles, lunch containers, hats, clothes etc. must be labelled. Things seem to get lost easily, help us get them returned.

PRESCRIPTION MEDICATIONS/ ASTHMA/

ANAPHYLAXIS

The service has strict Prescription Medication Policy. If a child requires medication during their time at the centre please discuss this with educators. Medication will only be given to a child by educator if it remains in its original container and is labelled with doctor's details and administering instructions. Parents need to fill in and sign a medication form prior to it being administered by educator.

GENERAL INFORMATION

Each and every day can you please ensure your child has enough food for morning tea, lunch and afternoon tea as we don't provide food during the holidays? It's a good idea to have food in a cooler bag or lunchbox with an ice brick to keep food chilled. **A refillable water bottle** is very important please ensure your child brings one every day especially on excursion days, as we have had children turn up with no drink. As it is the summer season please ensure your children have a hat and some sunscreen as we have a NO HAT NO PLAY policy, please ensure that your child is wearing appropriated clothing according to the weather, Shoulders must be covered, enclosed shoes must be worn on excursion days and a hat is compulsory too.

Indoor and outdoor activities are a part of our everyday routine as well as craft; these activities are encouraged although are not compulsory. Children are able to move freely from one activity to another. We generally have group games too for children to join in.

A daily program will be displayed at the entrance to keep families informed of daily events. Each afternoon we have a quiet time where children will watch a movie. (Children can bring in a G rated film please give this to an educator). Labelled. Excursions are programmed into each week of the holidays, combined group excursions or age base activities. Excursions are an additional cost on top of daily fees. Children enrolled on any day that there is an excursion will attend. Excursions are compulsory and an additional cost.

Please feel free to talk to an educator about any issues or concern you or your child may have as we are here to ensure your children feel safe and secured

BEHAVIOURAL POLICY

Here at Kids Korner we endeavour to make everyone's time an enjoyable one. In order to achieve this, we must have same basic rules to follow.

These are: We treat each other with respect.

: We keep our hands to ourselves.

: We do not hit, kick, punch or swear

: We do not touch other people's property without permission.

: We listen to educators and follow directions.

We encourage acceptable behaviour with positive guidance and reinforcement. Unacceptable behaviour can usually be dealt with by educators and occasionally by having a work with parents. Should behaviour be considered serious enough, written record will be made which parents will be asked to sign? Mediation with supervisor and centre director is available. We also encourage your child to "have their say" concerning any incident.

If a child's behaviour is recorded:

Once: Child will be excluded from excursions.

Twice: Child will only attend in the hours of programme supervisor 9am – 3 pm

Third: Child will be asked to leave the programme

** In extreme cases immediate withdrawal may be necessary

For all children to feel safe and happy some rules are necessary, as children of all ages need to know their boundaries and limits

Our opening hours 7.00am until 6.00pm.
